

# Tech Trek – Fundraiser 2022

AAUW creates a life changing camp opportunity for 7<sup>th</sup> grade girls called Tech Trek. Top science students engage for a non-stop week with female scientists, engineers, mathematicians, and computer scientists. By the end of camp, the girls have grown into articulate, confident young ladies ready to tackle higher level science and a STEM career. They become doctors, engineers, and teachers, poised to make a difference!

Since 1998 the Santa Clarita branch of AAUW has sent over 250 girls to Tech Trek. Please help us continue this program by participating in our 2022 fundraising campaign.
